Pre-Registration is required by February 19, 2021, as registrations will not be accepted at the Cheyenne County Fairgrounds Exhibit Building or the Cheyenne County Treasurer's Office after this date. A registration form and W9 form must be filled out with a \$25.00 fee and mailed to the Cheyenne County Treasurer's Office at P.O. Box 217, Sidney, NE 69162 by the 19th of February, 2021 in order to bid at the sale. Bidder may only represent himself/herself or one company. A form W9 is required for new investors. If you have a W9 on file with us and are not changing the name or EIN/SS number, we will not need a new W9. We will need a new W9 filled out if you are purchasing certificates under a different name and/or have a new EIN/SS number. W9 is available on this Cheyenne County Treasurer's website.

The sale is conducted in a round-robin format. Investors draw a number (in order of sign-in sheet) to determine bidding order.

The investor or representative is required to have advertising number, parcel ID number, and dollar amount.* The numbers on the advertising will not change. Bidder may lose their turn if not prepared with this information.

***Example: #1 17000000 \$500.00**

A blank signed check is required the day of the sale. There is a \$20.00 fee for the purchase of a tax sale certificate. This \$20.00 fee is not refundable when the certificate is redeemed (77-1823). Investor will be notified of the check amount after certificates have been processed. Make checks payable to Cheyenne County Treasurer.

Unless instructed otherwise, our office will hold the original Tax Sale Certificate. The investor will be mailed a copy of the certificate and receipt(s). It is the investor's responsibility to know when their certificate matures so they can start foreclosure proceedings. The investor will not be contacted by the Treasurer's Office when a certificate is maturing. The investor will be required to contact us when they would like these documents sent to them for the foreclosure process.

Certificates mature 3 years from date of purchase unless purchase is on a parcel that has an existing County Certificate. In this case, the maturity date remains the maturity date of the County Certificate. To keep your certificate secure, pay subsequent taxes each year as they become delinquent. After May 1st the 1st ½ subsequent taxes may be paid and after September 1st the 2nd ½ subsequent taxes may be paid. Please send a signed blank check made payable to Cheyenne County Treasurer. Investor will be notified of check amount when subsequent taxes are paid. A copy of the receipt(s) will be mailed to you.
